Where are you now?

"I am a Clinical Nurse , in Brisbane at Ozcare . Clinical nurse Community Care - clinical nursing manager in community care ."

It's hard to believe I graduated from high school four years ago, but I hope to share my appreciation through my achievements and showcase what my education at TAS has allowed me to excel during my university years. I was accepted into the Bachelor of Philosophy (Honours) degree here at the ANU and I have graduated with First Class Honours in Physics. I have gained a specialisation in Optics, majoring in Physics with a minor in Ma
